Kindergarten Registration Dates and Information

Please help us spread the word to family, friends and neighbors.

You can now fill out your Kindergarten online registration at https://www.washk12.org/student-services/registration. On March 1st at 8:30 a.m. Bloomington Elementary will begin taking phone calls to schedule appointments to complete the kindergarten registration process. Appointments will begin on Tuesday, March 2nd. If a.m. or p.m. kindergarten is a concern you will want to get the earliest appointment possible. We will do our best to fulfill your preference based on the order in which completed packets are received but your request is not guaranteed. Several factors must be considered when creating our classes to meet the needs of all our students.

Please carefully read the registration steps below.

**Step 1:** Fill out the 2021-22 online registration at https://www.washk12.org/student-services/registration. The online registration must be completed before making an appointment.

**Step 2:** On March 1st, after submitting the online registration, call Bloomington Elementary at 435-673-6266 to schedule an appointment to complete the kindergarten registration process. Please note that we are unable to take phone calls before 8:30 a.m. Leaving a message will not count; you must speak with a secretary. Due to social distancing we will not be able to take appointments in person only by phone.

**Step 3:** A parent or guardian must attend the scheduled appointment to sign the registration form and turn in their child’s birth certificate, proof of address and up-to-date immunization records.

- **Immunization:** Immunization must be up-to-date before you can submit your packet. Kindergarten shots are typically given on or after the child’s fourth birthday. For more information regarding immunizations go to https://www.washk12.org/student-services/immunization

- **Birth Certificate:** You will be required to show the original birth certificate. If you are not on the birth certificate, you must provide legal guardianship paperwork.

- **Proof of Residence:** Examples could include one of the following: drivers license, mortgage statement, rental agreement, utility bill, internet bill, etc.

Families will be notified of class placement a few days before kindergarten starts. We realize this does not give families much time to make child care arrangements. We strongly suggest you have a travel and child care plan in place for both the A.M. and P.M. class scenario.

If you have any questions please call the office at 673-6266.
