

# Fifth Grade Guidelines

The purpose of the Bloomington Medallion is to provide opportunities for students who seek extra challenges and are interested in going beyond the grade level curriculum. The medallion requirements are to be completed outside of class but with teacher supervision and extra instruction. Some elements require students to meet with teachers for project approval or further instruction. Parents are responsible for getting students to and from these appointments/meetings. Please read these guidelines carefully and take note of the specific dates listed so your child doesn't miss an important meeting that is required for them to complete a particular element. Students MUST complete 2 elements before November SEP's, 6 additional elements before February SEP's, and the remaining 6 elements before April 22, 2022.
