

**Bloomington Elementary Community Council Meeting  
Minutes for November 16, 2021**

Held at Bloomington Elementary - Conference Room

Those in attendance - Melissa Lane, Amanda Green, Talia Merrill

Next meeting - January 25, 2022 @ 9:30 a.m.

The meeting consisted of reviewing the 2021-2022 school goals:

**Goal #1**

Our goal is to continue our emphasis on student engagement and academic growth in Tier 1 instruction. This year, professional development will include classroom management and student engagement training for new teachers. New teachers and veteran teachers will receive training on Depth of Knowledge, lesson differentiation, and self-directed learning for students.

**Goal #2**

We will hire an aide to work in our take-home library and reading and math interventionists to assist struggling learners using Tier 2 intervention strategies.

**Goal #3**

Students will meet Fine Arts curriculum standards and will participate in learning activities as they attend a weekly music class with our music specialist.

**Goal #4**

Update technology needs in the building to support our math and literacy programs. Replace, repair, or update technology for classrooms as needs arise.
